Welcome to Bowler & Binnie Auctioneers Antique, Collector, Interior and Fine Art Sale.

We would like to inform that some changes have been applied to our postage and packing service. We are now operating an extremely limited postage and packing service, due to increasing demand for our services in other areas of the auction. We will now only agree to pack and send jewellery and small, non-fragile trinkets (please see the attached image which indicates the maximum size of parcel we will be able to pack and send). For items larger than what we have stated, personal collection, couriers or mailboxes will be required- below are some suggestions to help...
